

# Agency gives back to the community

**T**ony Cant Real Estate and Maitland Rugby Union have shared a rich history spanning decades.

The historic Maitland Rugby club was the second club formed in Australia and is proud of its community-based sporting tradition.

Likewise, Tony Cant played for the Blacks in the 1970s and now his grandson is on the team.

In celebration of Tony Cant Real Estate's support, the Maitland Junior Rugby Club is holding the Tony Cant Real Estate Pre Season Challenge on Sunday March 7.

At the home ground of Marcellin Park, 10 age groups ranging from 8 to 17 years will battle it out to win the Tony Cant Real Estate Shield.

"Tony Cant Real Estate has supported this club for three generations and is proud to offer sponsorship, lend support and provide a helping hand to the community," marketing manager Cristen Cable said.

Director Andrew Cant and several team members from Tony Cant Real Estate will be on the grounds on Sunday hosting a barbecue with all proceeds going to the club.

"It's great as a sponsor and a parent to go along for the day and see the enjoyment the kids and families get from this great sport," Mr Cant said.

"We are really looking forward to what should be an excellent gala day."
