

## GOLF DAY

## Agents support charity

**T**ony Cant Real Estate Maitland agents Tony Compton, Peter Hogan and Adam Brown braved the heat on Friday to support the Charity Golf Day at East Maitland Golf Club.

Tony Cant sponsored the first hole of the event to raise money for the Breast Cancer Association and Men of League Association.

There was a charity lunch at noon, then people played a four-

man, 18 hole ambrose, with Adam sinking a 40 metre putt on the last hole.

More than 80 people turned up to support the event despite the heatwave.

Business manager Peter Hogan said that "despite the heat we had an enjoyable afternoon".

"It was great that so many within the community could come together to support Men of League and the Breast Cancer Association," he said.

"We are happy to support these charitable organisations as they do a great job supporting families in the Hunter.

"We believe in supporting those in the community and sponsoring this event was one of many sponsorships given by Tony Cant Real Estate this year, taking the donation and sponsorship total to more than \$120,000 since the agency's establishment in the late 1970s."
