

Team members help support kids' charity

Christmas is all about giving back to the community, and celebrating in the true Christmas spirit this year were a few team members from Maitland's Tony Cant Real Estate team.

As one of the proud sponsors of the Variety Special Children's Christmas Party held at the Newcastle Entertainment Centre last week Tony Cant Real Estate sent a few team representatives to enjoy the festivities.

Surrounded by thousands of children and their families, property consultants Jody Morrissey and Kyle Cable and marketing manager Kristen Cable were all honoured to have taken part.

"My children and I had a great time and saw the happiness of hundreds of children and their families who deserved to be part of such a great night out," Ms Morrissey said.

Ms Cable agreed saying the event was indicative of the excellent work done by charities like Variety.

Having fundraised for Variety years ago as a student at Passmores' Business and Management College Ms Cable was appreciative of being able to enjoy the experience.

"I understand how hard charity organisations like Variety work," she said.

"The Children's Charity work to create experiences like this event for their clients."

SUPPORT: Jody Morrissey and Kristen Cable with kids, Lucius Cable, Saxon Kerseboom and Kayden Cable.
