To Whom It May Concern:

We have been selling prestige property through Judy and her team for over 2 years .

Judy clearly states upfront that she is working for the seller. We found out just what that meant the moment we engaged her – fabulous service, honest feedback, first-class marketing and superior negotiation skills..... We were able to trust her judgement and advice implicitly in this uncertain changing market.

Our properties received priority placement in the Courier Mail featuring full page editorials and enormous coverage through her database.

Her friendly administration team were constantly in touch with us.

Judy's team never gave up!

We highly recommend Judy and the team to anyone wanting to sell their home.
