Dear Nick

Thank you so much for your kind support to The Pyjama Foundation's Cocktail evening supported by The Royal Australian Navy. Your Auctioneering skills were greatly appreciated for the evening and part of what made our event such a success.

The night was a huge triumph, raising some great funding to help us achieve our goals for The Pyjama Foundation's Love of Learning Program.

Established in September 2004, The Pyjama Foundation is a Brisbane – based children's charity that transforms the lives of vulnerable children by empowering them to reach their full potential. Over 700 volunteer "Pyjama Angels" are currently visiting children in care throughout the Sunshine Coast, Brisbane, Cairns, Gold Coast, Toowoomba, and surrounding areas. Pyjama Angels focus on improving the children's literacy skills, and inspiring a love of learning through The Pyjama Foundation "Love of learning program". Our program is so simple - by improving literacy we are making a positive, long-term difference in these children's lives.

On behalf of Bronwyn, myself and The Pyjama Foundation we would like to express our gratitude for your ongoing support.

Warm regards

A handwritten signature in black ink, which appears to read "Tanya Busoli".
