

Pyjama Drive collection point 1-31 March 2011

We're helping The Pyjama Foundation collect 10,000 brand new pyjamas for kids in care!

Do you know that there are more than 31,000 children in foster or alternative care in Australia? You can help to make them cosy with a brand-new pair of pyjamas!

The Pyjama Foundation is holding our annual Pyjama Drive in March this year, to get the pyjamas to the children by Easter. You can help!

We need brand-new pyjamas only - please keep the tags on for ease of sorting.

We are seeking mostly summer and some winter styles, for boys and girls, from baby to adult sizes.

Last year we collected around 7000 pairs of pyjamas, let's see if we can get to 10,000 in 2011! More info at www.thepyjamafoundation.com.
