

Royal Children's
Hospital Foundation

Certificate of Appreciation

Presented to

Verna Osborne

Our heartfelt thanks for your contribution to help work wonders for Queensland's sick kids through your support of the Royal Children's Hospital Foundation.

Your generous contribution of time will help make a difference to thousands of precious young lives by ensuring that our Hospital continues lifesaving research, has the very best equipment and provides leading edge care.

Together we can work towards creating a world where all sick and injured children have every opportunity to regain good health.

Thank You!
