

## NEW FARM STATE SCHOOL FUNDRAISER AUCTION

SPACE Property Agents were lucky enough to take part in the always successful New Farm State School Fete, in order to raise money for the school so badly devastated by the January floods.

As a major sponsor of the event, SPACE Property Agents and their team of volunteer cadets were in full force handing out 600 helium balloons within the first two hours of the event!

It seemed everyone was touched by the community spirit... While the kids showcased their talent performing some brilliant dance routines, musical numbers and vocal performances... mums and dads put their cooking skills to the test selling cakes and Belgium waffles - a sure favourite of the day!

Not to outshine the kids... Auctioneer of the day and SPACE Property Director Nick Penklis was on fire—selling all 22 donated items “under the hammer”.

With 3 items selling for over \$1,000 and one item—a holiday to New Zealand selling for over \$3,000 we could not ask for a better result!

All up the fete managed to fundraise close to \$85,000 for the school—all made possible by the volunteers, sponsors and some truly amazing donations from the New Farm community.
