

Helping Jerry's Kids

Jerry Lewis was the guest star at Gambaro's Restaurant and Function Centre on Wednesday night along with our very own Nick Penklis conducting a Charity Auction in support of the Muscular Dystrophy Association.

Jerry has long been the patron of MDS having been instrumental in the raising of some 2.5 billion dollars since its inception in the 1950's. Auction items included personally signed memorabilia from the King of Comedy himself!

All round it was a great night – Lots of laughs, lots of bids and over \$ 45,000 raised for charity!
