- NOTES**
- (1) This plan was prepared for the purpose and the exclusive use of Mr. Matt Stanley, to be used for engineering design work. This plan is not to be used without the supplied digital information. This information is not to be used for any other purpose or by any other person or corporation.
 - (2) The contours and levels shown on this plan are suitable only for the purpose for which this plan was prepared and should not be used for any other purpose. The contour interval shown hereon is 0.2 meters.
 - (3) Boundaries shown on this plan were compiled from original survey marks as shown on RP14020 lodged in the Department of Natural Resources & Water, and were not remarked at the time of survey.
 - (4) Only visible features of underground services were located. Positions of stormwater mains, sewer mains & water mains that have been plotted are indicative only and as such should not be relied upon for detailed engineering design and construction. Contact relevant authorities before any excavation.
 - (5) This plan may not be copied unless this note is included.
