Dear Sir/Madam

Australand is one of Australia's major diversified property groups, with activities in residential, commercial and industrial projects across Australia. Australand has been involved in property development for more than 80 years and we have progressively widened the scope of our activities to satisfy the needs of an ever changing and more sophisticated client base and market place.

As the New South Wales Sales Manager at Australand, I have worked with a number of real estate agents but I have found working with Warren and his team at City Commercial Property particularly gratifying.

We have worked with City Commercial Property for the past five years and have found their work to be excellent and that their standards of providing exceptional service, sales and marketing, as well as sound professional advice are a credit to the industry.

I have no hesitation in recommending Warren and City Commercial Property for any sales and/or leasing projects in Sydney.

Please do not hesitate to contact me should you require further information.

Yours faithfully

Anthony Trueman-Farrell
